

**Conference of
California Bar Associations**

Justice Through Laws

August 21, 2019

Delegates and Friends,

The **C**onference of **C**alifornia **B**ar **A**ssociations has faced varied challenges throughout our 80-plus years. Our members and supporters have risen on each occasion to face those challenges. Each time we emerged stronger, and so it shall be again as we face our newest challenge.

Many of you may already know that AB 3249 removed the CCBA from the State Bar fees bill in 2018. We were able to secure a one-year extension through 2019.

Unfortunately, we have been unable to persuade the Legislature to extend or restore the CCBA checkoff on the fees bill.

We are a nonprofit, nonpartisan, and voluntary organization. The fees bill voluntary donation checkoff has been our primary source of funding. Our Officers,

Boardmembers, and supporters have met with multiple legislators. We have sent letters of support from many Bar Associations and individuals throughout the State.

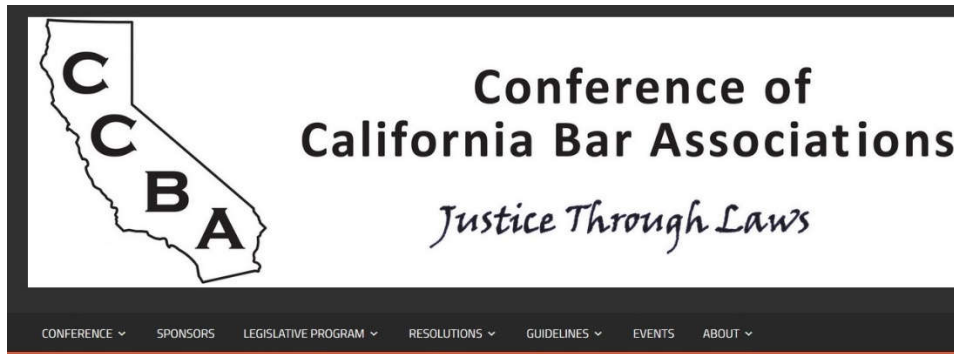

Despite our Herculean efforts, it has become undeniably clear that the checkoff will not be restored for the upcoming year.

We are in a position where we need every delegate, friend, and supporter to take the time to donate to our organization. Doing so will secure funding for the 2020 Conference and beyond.

Therefore, we are asking that you take a minute and go to our website. Click on DONATE, and with your PayPal account to give \$20.00 to CCBA. Please consider making your donation an automatic monthly recurring gift to support us and secure our future. We are calling this our 20 for 2020 campaign. There are other options to donate if you do not have a PayPal account.
